

Off - Site Manufacturing

An interesting and uplifting event

Register your details using this link: [Register here](#)

Due to the uncertainty around Covid and social distancing we have decided to defer this year's conference to **Tuesday 10th May 2022.**

We now plan to run 4 Webinars during 2021:

Our first one will be held on **Thursday 18th March** and will focus on **Off-Site Manufacturing** in Hertfordshire and how it can kickstart the housing economy.

Watch this space for details of our other 2021 Webinars
